A screenshot of the user management interface. At the top, there is a header bar with a red notification bubble containing the number '12' next to an information icon, a question mark icon, and a user profile icon. Below the header, there is a row of action buttons: an orange 'Edit' button (highlighted with a red rectangle), a white 'Delete' button, a gear icon for settings, and a magnifying glass icon for search. Below the buttons, there is a table with two columns: 'Active' and 'Modified'. The first row of the table shows 'no' under 'Active' and '09-20-2021 13:09' under 'Modified'. The second row shows 'no' under 'Active' and '11-23-2021 00:55' under 'Modified'. A watermark 'Made with Tango.us' is visible in the bottom right corner.
