

# How to update community library and discussion settings

Last Modified on 03/29/2023 2:57 pm EDT

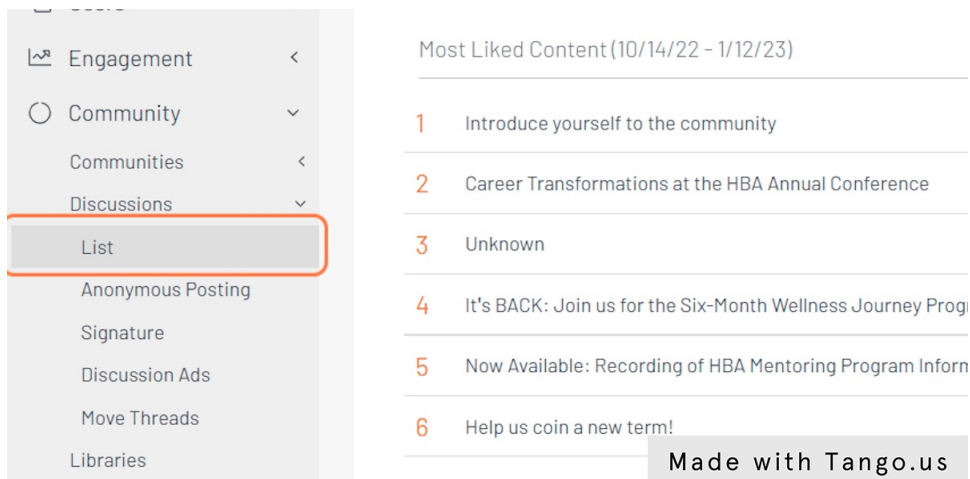

## 1. From Community Admin, click on Community

## 2. Click on Discussions

## 3. Click on List

#### 4. Click on Search

The screenshot shows a web interface with a top navigation bar containing a notification bell with '17', a help icon, and a user profile icon. Below the navigation bar is a 'View' button, a search icon (magnifying glass), a filter icon, and a download icon. The search icon is highlighted with an orange box. Below these elements is a table titled 'Additional View Permissions'.

#### 5. Type your community name

The screenshot shows a web interface similar to the previous one. The search bar now contains the text 'fit to lead'. The search icon is still highlighted with an orange box. Below the search bar is a table titled 'Additional View Permissions'.

#### 6. Click on the row with your community

The screenshot shows a web interface with a sidebar on the left. The 'Community' tab is selected, and the 'List' option is highlighted. The main content area is titled 'Discussions' and contains a table with two columns: 'Name' and 'Community Type'.

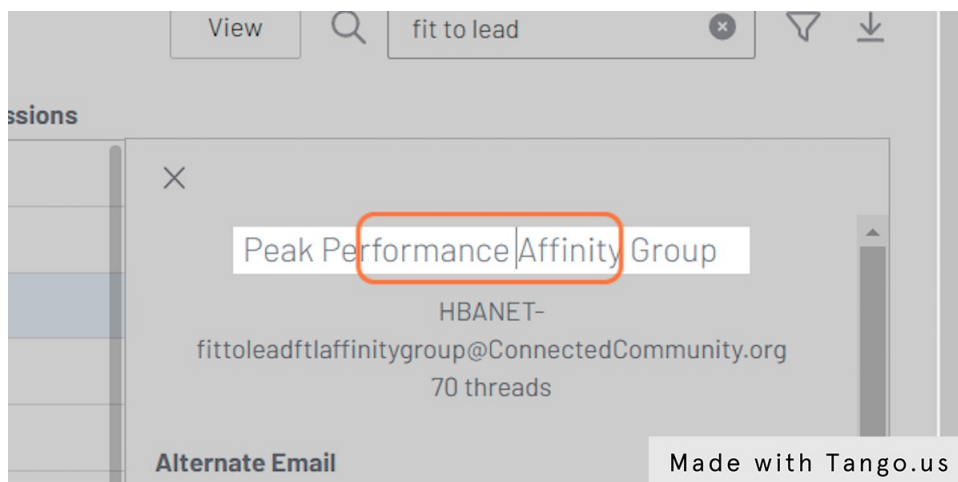

Name	Community Type
2018 Fit to Lead Region/Chapter Affinity & Prog...	Functional Committee Community
Fit to Lead Six-month Spring Forward Fitness & ...	Event
Fit to Lead (FTL) Affinity Group	Affinity Group
